REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2008-2009 school year was another successful year at Carolina Forest Elementary School. Our school was awarded a Silver award from the South Carolina Department of Education for closing the achievement gaps for our students. Many of our students exceeded the performance goals set forth by Horry County Schools. Celebrations were held to recognize the students' achievements in academics, attendance, and character development. Our teachers and support staff were also successful. We continued to make progress towards our performance goals included in our strategic plan. Our staff participated in professional development focusing on instructional strategies to improve student achievement in reading and mathematics. A computer assessment program was again utilized to help improve instruction and measure student progress. Teachers collaborated as grade levels and across grade levels to plan standards-based instruction. Many teachers participated in graduate coursework to advance their degrees. April Zeltwanger was selected as Teacher of the Year for our school. The hard work and dedication of our parents and volunteers, as well as our outstanding community support, enhanced the mission of the school. Proceeds from our annual Founder's Day celebration were used to purchase SMART Boards for classroom instruction, technology resources, and literacy materials. A record number of volunteers worked to support our instructional programs. During the 2009-2010 school year, we will work with our parents, community members, and the School Improvement Council to provide opportunities for our students to excel academically and participate in extracurricular activities. We look forward to another great year as we continue to meet the needs of all children. Melissa Spearman, Principal; Terri Custer, School Improvement Council
